

**SALISBURY & SOUTH WILTS CANINE SOCIETY
OPEN SHOW**

Held on:

Sunday 27th August 2017

Judge:

Mr Russell F. Jones (Quemerford)

Many thanks to the Committee for inviting me to judge at this show which was held for the first time at this new venue. It was a gorgeous sunny day and all judging took place outside in very spacious rings. My steward did a sterling job keeping the ring running smoothly throughout the day. Many thanks to all exhibitors who took their placing with grace. All exhibits were shown in a good clean condition and were all well turned out. Many thanks to all.

ALASKAN MALAMUTE: J (Dog or Bitch) (2,0) 1 Mr Edward Forsey, Muzoku Let's Go Crazy: A well grown 16mth old dog of excellent type with a dominant outline. Very masculine for his age with a super head. Liked his good strong neck, his super withers and decent front, good deep brisket and good ribs. He has good strength to body and good angles to rear with plenty of muscle. Moved out well around the ring, using his hocks well. Pleased to award him **Res. BOB**.

2 Jill Pitcher, Marahotay Linx Under Tatkresiwork. A 15mth old dog of good type with a good outline, a little smaller in size than 1st, but still in proportion. He is a masculine dog with a pleasing head, strong neck and wither and neat front. Nice body and nice angles to rear, just pipped on the day on movement, with time should do well.

She is well balanced with a very feminine head of nice proportions. Good neck, shoulders and brisket, nice ribs. Good body and good angles to rear and neat hocks. She has good side movement but needs to keep the speed down as she tends to over rotate at a faster pace, then comes close from the rear.
